Memory Foam Pillows and Memory Foam Mattress Toppers.

- Memory foam responds and adjusts according to downward pressure and temperature sensitivity cradling the body in its preferred and most natural sleeping position. Generally this is referred to as the 'weightless sleep environment' and is the most comfortable mattress that you will ever sleep on.
- At CHIROPEDIC we know that every human body is different and we all have individual needs, this is why we strive to get each person on the right sleeping surface, even if it means customizing.

GUARANTEES

- Pillows, we offer a 7 day comfort exchange guarantee and a 7 years against defect.
- 15 Years guarantee. We then allow for 60 days comfort guarantee for the person to give us feedback on the mattress. If there are any aches and pains, or any symptoms that could arise from the new mattress, we will then assess the situation and, change the mattress for one more suitable.
