

**SOUTH AFRICA**  
**PRESTIGE AWARDS**

2021/22 WINNER

Dear Fernando (**CHIROPEDIC bedding company**)

You were recently in touch with my colleague in relation to the South Africa Prestige Awards 2021/22.

We have now made the decisions on the companies and individuals that should be selected as winners in this year's program.

You were considered in the category **Bedding Retailer of the Year**. Having reviewed information on all of those short listed, I am pleased to confirm you have been picked as the 2021/22 winner, congratulations. I do hope the recognition will be helpful. I have attached a prepared logo which supports the award.

During the awards process we invited over 100,000 businesses and corporate professionals, magazine contributors and our subscribers to nominate companies & individuals based on factors such as service, innovation, experience, sustainability and other areas. Additionally, our research team has put forward a selection of firms which they felt were deserving of recognition.

All winners will be listed in the awards book, this is complimentary however, you do have the opportunity to be part of the editorial content within the winners book which may include interviews and other features that promote your services as well as the history about your company and success to date.

Kind Regards Jake Powers | Awards Team
